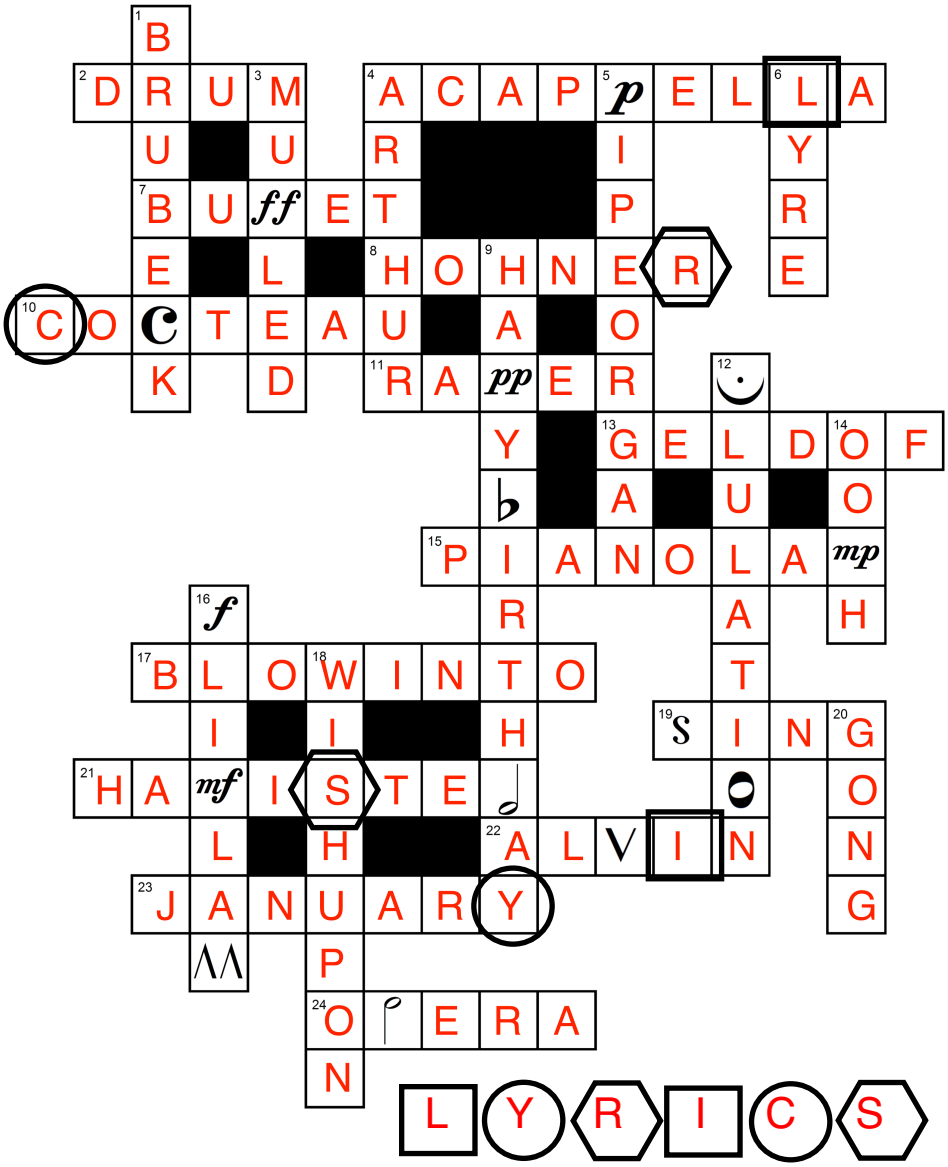
# Music Crossword

You don't need to know what the music symbols mean, just what they look like.



**Down**

**1.** Famous Dave that liked to "Take Five".

**3.** When something doesn't sound as loud. Bands frequently need to make sure that the bass drum is this.

**4.** Pianist/Actor Dudley Moore played the title role in this 1981 film.

**5.** Most big churches have one.

**6.** A U-shaped string instrument. Also a device used to hold your music in marching band.

**9.** The most recognizable song in the world.

**12.** A long, wavering, high-pitched vocal sound resembling a howl. Used in singing in some cultures.

**14.** If the brass band is too subdued, then the conductor might tell them to play with more _____.

**16.** The last half of this word is the name of a drum rudiment, but the whole thing is a bunch of nonsense.

**18.** Do this to a star and anything your heart desires will come to you.

**20.** If you were on The _____ Show and weren't a hit, then it would be hit.

**Across**

**2.** The world don't move to the beat of just one.

**4.** You are singing this way if there are no instruments accompanying you.
