

# WATER: SOKKA & KATARA'S FISHING TRIP

Sokka, a warrior from the Southern Water Tribe, went fishing with his sister Katara. The two of them used different baits and caught different kinds of fish. After their fishing trip, they cooked and ate the fish that they caught. Due to his insatiable appetite, Sokka always eats **first**. Katara, who has much better table manners, takes her time and eats **second**. What did Sokka and Katara eat today?

1. How something looks(10)
2. Tusked pachyderm(8)
