

LOCATION

A PINT OF CONDIMENTS

You want to know where the next Puzzled Pint will be held, but standing in your way is a daunting maze of maize. Upon entering the maze, you see that there are foods strewn about inside. After you've traversed the maze and **helped the foods find each other**, you'll need to look back at what you've done, **left-to right then top-to-bottom**. Perhaps once you've helped them find their way, they can help you find yours and tell you what you need to be doing to succeed at Puzzled Pint.
