

Neighbours

Don't you just hate it when your next-door neighbours turn it up to eleven?!

2	6	3	2	4	3	6
5	6	3	6	1	1	3
3	0	1	3	0	3	4
6	1	7	8	4	1	5
7	5	2	3	2	1	6
0	2	1	2	1	2	2
5	3	2	1	1	5	1
3	2	1	3	4	1	3
1	4	3	2	6	1	2
2	5	2	3	4	1	6
2	3	4	2	1	5	9

ANSWER: FOIL

In this puzzle, find the numbers whose “next-door neighbours turn it up to eleven”, i.e. find the numbers whose numbers directly up/down/left/right of it sum up to 11. Shade in those numbers to read the answer.

Note: Diagonals are not considered next-door neighbours.
