

Howlers

Before howler letters are picked and counted as sendable they wait around in an abyss spouting nonsense wondering what hour they'll be needed.

Use your answers from the previous four puzzles to solve this meta-puzzle.

Together we overcome fly and snap.

Never invest near explicit keep out.

Followers invent vicuña's even glasses.

Forget our underwear; remember binoculars.

Top washing opens employees only.

Take happily registered effervescent encampments sailing and splashing.

Elegantly internalize guests happily telling foreboding admonitions.

Obsequies neatly extradite sour omens.
