

# BONUS: PERSEUS AND MEDUSA

Perseus was sent to fight the fearsome Gorgon, Medusa. Anyone who looked their gaze with Medusa's was turned to stone! Because of this, the area outside the cave where the Gorgons live was littered with statues.

- Each number represents how many statues are in the 8 spaces around the number
- There can be no more than one statue per space
- There are no statues on spaces with numbers

Solve the puzzle to reveal something that Medusa lost when she became a Gorgon.
