

Fill in the "word chain" below with names of pies. When you are done, read the circled letters to get a phrase describing how you might celebrate Pi Day.

Find each defined word in the grid. Numbers in parentheses are word lengths. Read the unused grid letters for instructions to reveal a final phrase.

- ·Arachnid (6)
- Beer quantity (4)
- Cinnamon or nutmeg, for example (5)
- Corkboard fastener (7)
- Entering data via keyboard (6)
- Photograph (7)
- Pilot location (7)
- Pocket bread (4)
- •\_\_\_\_\_ rainforest (8)
- Scottish instruments (8)
- Shrimp sautéed in butter and garlic (6)
- Small wooden stick with pointed ends (9)
- Student (5)
- Usual (7)

Place pies (circles) in some squares in each grid so that there is exactly one pie in each row, column, and dark-outlined area. Pies cannot be in adjacent squares, including diagonally. *Tip:* put slashes in squares that can't contain pies.

When you are done, the circled letters will spell an observation about pie.
