

# Puzzled Pint

March 2019

# Jen

Jen is currently in Aughra's home and is looking for the missing **one** shard that will heal the Dark Crystal. Read this flute chart to determine the correct four note pattern to find the shard so that Jen doesn't leave with **zero** shards.

USE BINARY TO DECODE EACH FLUTE. THEN WITH THE INSTRUCTIONS GIVEN "SO HOLES ON TOPS WORK TOO", DO BINARY AGAIN USING JUST THE TOP HOLE OF EACH FLUTE TO GET 4 LETTERS: PINT

# Skeksis

Skeksis were split from mystics, but something was lost during the process.

When Jen meets Kira, they shared their memories by "dreamfasting." During the dreamfast, it became quite confusing what memories belonged to who. Each dream is very uniquely either Kira or Jen's. Sort out which one belonged to whom and you'll see what happened to Jen after meeting another Gelfling.

Each answer will contain either KIRA or JEN

# Aughra's Orrery

Aughra's orrery is all out of order! She has provided you all the information you need to place them in order. Once properly placed you will find out what exactly Aughra was doing.

1. Planets that share a first letter will always be adjacent.
2. The 3rd planet contains a change in direction.
3. This ghostly sounding planet is in the middle.
4. The planet in the 6th position has a unique number of letters among these planets.
5. The planets in the first and last positions have lengths that add up to 15.
6. One planet contains all the letters of an adjacent planet.

# The Crystal

Time to fix the broken crystal and discover the final answer that describes the Dark Crystal. It all centers around the missing shard.

Place answers based on arrows. Duplicate letters are represented only once. Final answer are the letters centered around the missing piece in the middle: **AMETHYST**
