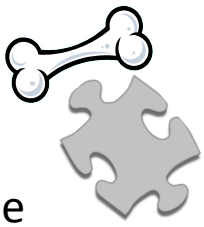
Puzzled Pint
October 2012

"A Game of Fetch" (GC instructions)

- Preparation
  - Print next 4 pages on card stock
    - Print 1 copy for every 4 teams
  - Cut out cards (54 total)
  - Procure 5 specific objects (see below)

- Playing the Game
  - Compete against 2-3 other teams to win cards
  - GC shows a card with two objects
  - Each object has two properties
    - Color: red, yellow, green, white, gray
    - Item: dog, bone, pawprint, pencil, puzzle piece
  - First person to grab the correct object to win the card
    - If the card shows an exact match, grab the object
    - If no exact match on the card, grab the object that has neither item nor color represented.

Exact match:



Grab the Gray Puzzle Piece

No match:
- have dog
- have bone
- have yellow
- have gray

Grab the Red Pencil

  - A player may grab only one object per round.
