Deep in the back of the sports almanac that Biff picked up are the standings from the first year of an odd new international sports league. Have a look through the standings and see if you can spot, in each division, which team doesn't belong. That will lead you to solve the ultimate riddle: what this new league's championship trophy is shaped like.

**PUZZLE BY SPINDR W. - CHICAGO**

## 2015 - GRAY'S SPORTS ALMANAC
