

Kang vs. Kodos Medium by Sandor W., Chicago

These two candidates have a hard time agreeing. Sometimes it feels like they're getting close, but then they inevitably clash. Maybe you can help them meet in the middle. What's one thing they can agree to disagree on?

My opponent will tell you that everything is totally mellow and <u>cool, man</u> .		My opponent will confuse you with a <u>self-conflicting</u> <u>statement</u> .
My philosophy comes from <u>Tutankhamun and</u> <u>others</u> .		Mine comes from <u>a certain Heisman Trophy winner, actor and felon</u> .
I <u>cracked</u> my back working for you folk.		It's like they say, you can't make <u>this breakfast</u> <u>option</u> without breaking some eggs.
My opponent will use a really long straw to drink your <u>ice cream drink</u> .		I am the best president for these 50 states!
My opponent has a tendency to <u>speak</u> <u>monotonously</u> until audiences fall asleep.		My opponent acts as if this campaign is one big <u>sung</u> theatrical performance.
My opponent's positions are as strange as a creature from another planet.		My opponent has a temper like a <u>volcanic</u> rock.
My gang of armed men and women will never let me down.		My policy initiatives are as flexible as <u>a soft napped</u> <u>leather</u> .
My opponent is so corrupt that our allies have placed <u>an official ban</u> on dealing with him.		Every time my opponent holds a public event, a violent public disturbance seems to break out.
I'll throw my opponent down on the ground, like that <u>gentlest of martial arts</u> .		Where did my opponent come from, a <u>flying saucer</u> ? Oh, right.
The <u>collection of organic cells</u> holding our nation together has been torn.		We must work hard and <u>perspire</u> together to make our nation strong again.
Rock the vote! Just like <u>Kurt's grunge trio</u> told you to.		Don't be <u>uncaring</u> and forget to vote!
I vow to bring increased government transparency to our nation, much like my hero, Gorbachev.		I promise to give you a clear <u>summary of the main</u> <u>features</u> of my plans for our nation.
The land of hockey and maple syrup has always been a strong ally.		We must look to allies from <u>a long way away</u> to support us.
My opponent has been seen cavorting with a person from Baghdad.		He's right, I adore all people from th <u>e largest continent</u> .
I vow to keep you as <u>safe</u> as the gold in Fort Knox.		I vow to keep you as safe as if you were a babe in its mother's <u>womb</u> .
