

# ***META: RESTORE THE TIMELINE***

***PUZZLE BY: WIL Z. -CHICAGO***

Now that Marty has traveled back to the four eras, he has what it takes to reassemble the timeline in order. Using your 4 answers, find a path through each grid moving horizontally or vertically using the clues to guide your path. Use the clue to help place the grids in order to help determine the ultimate reason the puzzle designers are all glad that Marty has repaired the timeline!
