

THE TEMPLE OF ARTEMIS

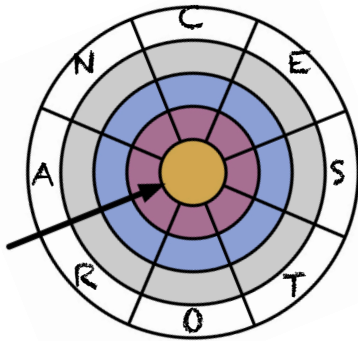

Page 1 of 2

The Temple of Artemis was an illustrious temple at Ephesus dedicated to a distinctly Ionian form of Artemis, the Greek Olympian best known as the goddess of the hunt. Daughter of Zeus and twin of Apollo, Artemis is typically depicted with a golden bow and arrow.

NOTE: All words start above the arrow and go around clockwise. Clues are shown in order from outer to inner ring.

Practice your own archery skills to reveal what any good hunter should always be on.
