

# Meta Puzzle: Great American Songbook

“Great music,” said Oliver, “I must join Dotify directly.”

“Yeah,” agreed Ian “the song choices for each part really give you a sense of the character for the region.

Well done, Gary.”

You need one final answer - the playlists on each page. Find all the missing cities and connect them to create letters to spell **GAME**

Morris seemed equally grateful: “Yeah, add to that the route, the cocktails, the map, and the casino!

Arranging all that? I’m impressed.”

“I agree,” joined in Terry, “it’s been a classic road trip; a great, novel way of spending time with your mates.”

Take answers from all the puzzles and place them in the grid below where they fit. Then do a drop quote solve to get the quote which the author (**JACK KEROUAC**) is the final answer.
