You just activated the Stargate for the first time, and stepped through the gate onto the planet Abydos, but you don't know the address back to earth! To *drop a line* to earth, figure out the 7 glyph sequence and input it into the DHD to *signal* your return!
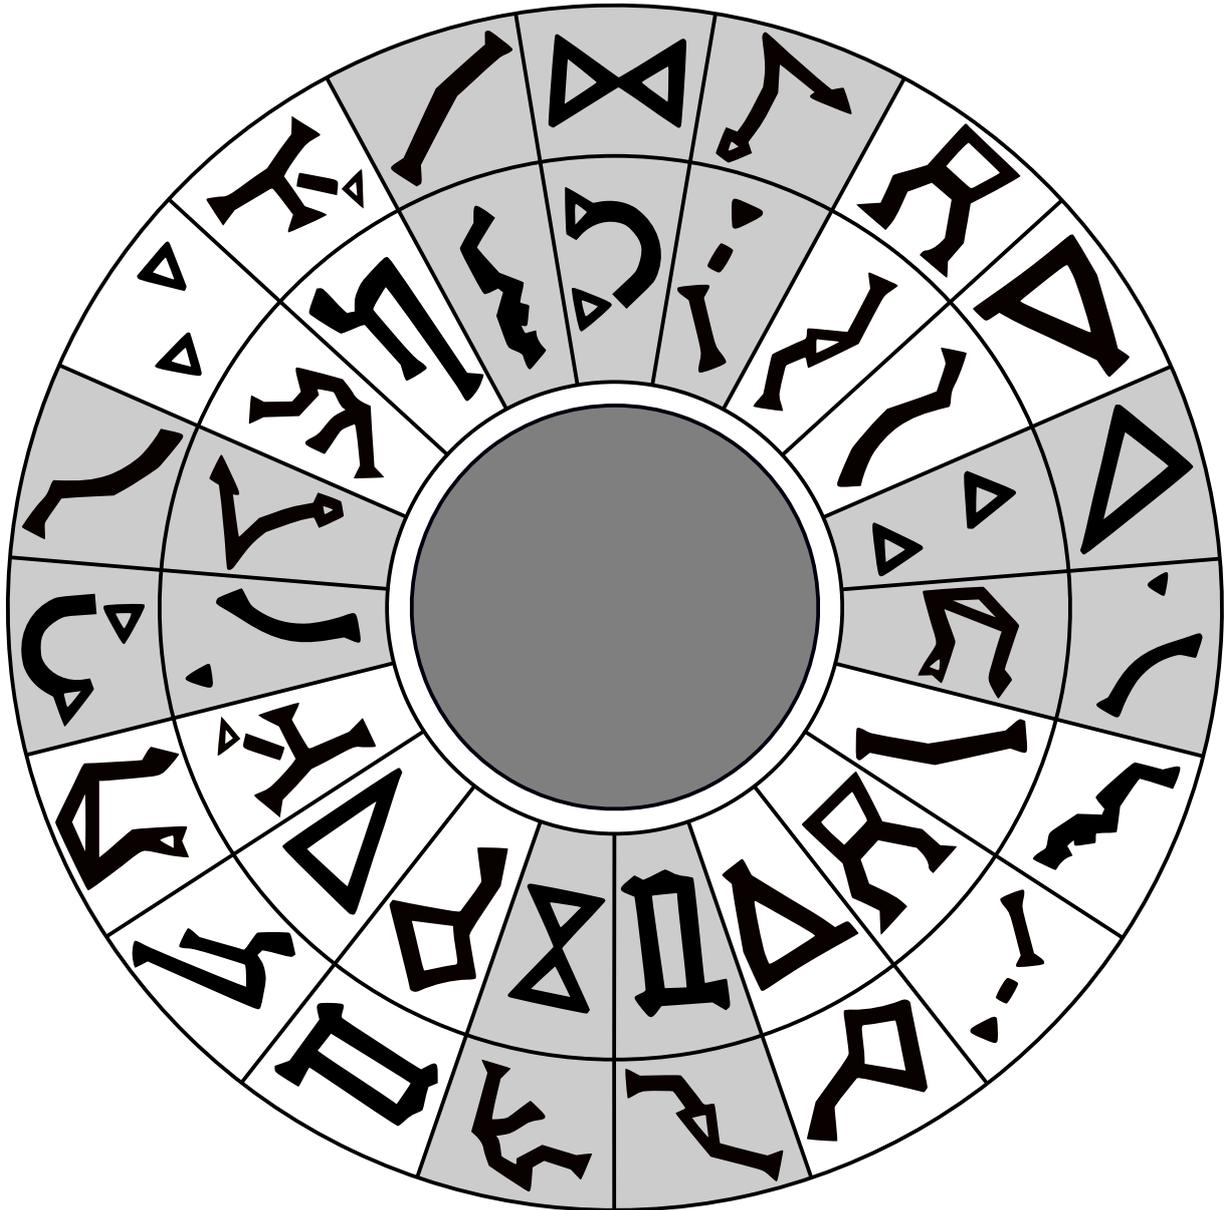

Step 1: The Stargate

No Stargate Knowledge Required

Step 2: The Address

3	4	5	6	7	8	9

August H.
