

Anybody Want a Peanut?

Fezzik offers you this riddle challenge. With his great gift for rhyme, he couldn't help presenting the hints as couplets, but each line clues a separate word. The dashes underneath each line will let you fill in what he actually meant to say. Then the answers on the right, read in order, will tell you just who he thinks he is.

Watch shore coat shorter stew key pawn dub awl

What your coach orders to keep on the ball -----

EYE

Star cheat who berth hat surf din duff all

Starchy tuber that's served in the fall -----
