

Mostly Dead

Max and Valerie are trying to make a potion to bring Westley back to life. Such a potion requires the rarest of ingredients, those that are unlike all the others with which they share a shelf. Find the odd one out on each shelf and add it to the cauldron in order, top to bottom, to discover what is the most important ingredient of all.

Milk of human kindness, 1 ounce	Soul, 21 grams	300 cc of baboon's blood	Liter of the pack
Eye of newt	Pea brains	Ink of squid	Tea and sympathy
Tooth of werewolf	Reflections, vampire	Howling mummy ichor	Whendigo fur, black
All evil, root	Dirty laundry, list	Hypocrisy, cant	MLT, lean
Aardvark tongue	Shrieking eel antivenom	Cat's life, tenth	Rooster eggs
Basil Rathbone's Bones	Lost time	Rosemary's baby's breath	Sage advice
Owlet's wing	Dragon limbs, lowest	Hand towels	Elbow grease

Only non-metric unit of measurement

All other first words are also letters of the alphabet

Other entries have "question words" in them

Final words in the other entries are all synonyms

All other animal names have double vowels

All other entries have herbs (spelled the proper way)

The other three entries have anagrams of "owlet's"
