BONUS PUZZLE: Pets

By Wil Zambale - Chicago

I really thought I told those guys how I needed things stored in the truck. I don't think they saw my vision of how I wanted it because they placed all my cats, birds, and sea creatures in one area. Can you imagine the mess that's going to make? It's time for you to be a team player and help me figure out which boxes are causing the problem and who is to blame for this mess. I already labeled one box for you to get you started. (Marked with the x's)
