

These quesadillas are way too big for a single person to eat! Luckily it's easy to **cut these quesadillas** and share them with someone you like. In fact, there are a bunch of couples here with **a lot in common** dining here tonight. When matching answers are put together, find out **how much** they really **share**. Only **one** pair didn't opt for the quesadilla for **two** -- I wonder why?

Table: Cast a ballot (4) Toppings: Steak and Shrimp	Table: Toffee candybar with same name as actor Ledger (5) Toppings: Steak	Table: Toxin from a resident or creator of a web. (5) Toppings: Steak	Table: Items used as gifts for children (4) Toppings: Chicken
